- a. Procedure A06.05 was on the May 9 agenda to revise the length of time for an expired license to be considered as "below threshold". The recommendation is to decrease the time from one year to 60 days. The May meeting was cancelled; therefore the topic was brought to this meeting. The commission members discussed and agreed to support the change at the July NCQAC meeting with the recommendation to decrease the time from one year to 30days. This is a decrease from the original recommendation of 60 days.
- b. The commission members agreed to support the Limited Education Authorization (LEA) procedure at the July NCQAC meeting.
